Section 1 - Introduction

This directory provides a list of Mount Carmel MediGold's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Provider (PCP)**. The term PCP will be used throughout this directory. Generally, you must get your health care services from your PCP. Members often refer to this person as their family doctor or primary care medical professional. He or she may best understand your health care needs and coordinate your care as needed. You also have the freedom to seek specialty care when needed without a referral.

When choosing a PCP from our list of participating providers, you must choose a provider in one of the following practice categories:

- Family Practice
- General Practice
- Geriatric Medicine
- Internal Medicine
- Non-Physician Practitioners (e.g., certified nurse practitioner or physician assistant)

You will find these types of providers at the beginning of the List of Network Providers under the title Primary Care Providers. If you choose to select a new PCP, please notify us.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory regardless of where the provider is located. Mount Carmel MediGold does not require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Out-of-network providers are under no obligation to treat Mount Carmel MediGold enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call Member Services at 1-800-240-3851, 8 a.m. - 8 p.m., 7 days a week. TTY users should call 711. You may also refer to your *Evidence of Coverage* for more information, including the cost sharing that applies to out-of-network services.

If an out-of-network provider submits a bill directly to you for covered services or supplies, do not pay the bill. Instead, you may submit the bill to Mount Carmel MediGold for processing and determination of your share of the cost, if any.

Mount Carmel MediGold HMO members may access out-of-network providers for emergency care provided in hospital emergency departments and urgent care provided in an urgent care center worldwide and out-of-area renal dialysis received from any Medicare-certified dialysis provider throughout the U.S.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Mount Carmel MediGold will be responsible for the costs.

Mount Carmel MediGold PPO members may choose a PCP listed in this directory or any other PCP willing to accept a Mount Carmel MediGold PPO plan, and many do.

Additionally, you may use network and out-of-network providers for all covered services. With the exception of emergency care and urgent care, it may cost Mount Carmel MediGold PPO members more for out-of-network care and services.

HMO and PPO Plan

2026 Ohio Pharmacy Directory

Introduction

This booklet provides a list of Mount Carmel MediGold's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and the Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Mount Carmel MediGold only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of March, 2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called CVS Caremark. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Mount Carmel MediGold.

Mail Order Pharmacy

CVS Caremark 1-866-785-5714
(TTY 711)

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact CVS Caremark 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact CVS Caremark at 1-866-785-5714, option 2 (TTY 711).

Typically, you should expect to receive your prescription drug(s) within 10 calendar days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact CVS Caremark at 1-866-785-5714, option 2 (TTY 711).
