Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit www.thpmedicare.org/michigan/for-members/plan-documents or call 800-964-4525 (TTY:711) to view a copy of the EOC.

- ☐ Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the Formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2027.
- ☐ Except in an emergency or urgent situation, we do not cover services by out-of-network providers (doctors who are not listed in the Provider Directory).
- ☐ **Effect on Current Coverage:** Your current health care coverage will end once your new Medicare coverage starts. For example, if you have a different Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
